

Job Bulletin

Position Title: Contract Waterworks Operator

Organization: Crystal Bay-Sunset Brightsand Lake Waterworks

Wage: Currently \$800 per month.

Short Description: Maintain and operate a potable water system following the Water Security Agency guidelines under the direction of the CBSS PUB. Perform water testing and supervise system maintenance as required.

Job Duties:

1. Check daily:
 - System operating pressure.
 - Volume of water used.
 - Chlorine usage.
 - Test turbidity and chlorine levels.
 - Operation of water works system.
2. Send water samples to a lab for testing, once a month October to March, twice a month May to September.
3. Clean chlorine pump once a week as per manufacturer recommendation or as required.
4. Inform CBSS PUB when chemical supplies or equipment require attention.
5. Maintain pump house cleanliness and repair.
6. Open system hydrants once a month.
7. Supervise contractors who perform maintenance or new installations, and water works system or components.

Additional duties:

1. Turn on or off curb stops as requested by water subscriber. Train subscriber on operation of curb stop to allow subscriber to operate curb stop independently.
2. Maintain all records, reports and documents as per Saskatchewan water regulations in a safe and secure manner in the pump house and provide to the CBSS PUB if required or requested.
3. Be alert to any operation anomalies which may occur in the pump house, or the water works system.
4. Inform CBSS PUB if the water works system is being used contrary to the bylaws and service agreements. Document and inform CBSS PUB representative.

Skill required: Should have the mechanical ability to monitor and maintain minor mechanical systems or components used in the water works system.

1. WSA certification level 1 water treatment to operate a small system desirable. If not certified will operate under the supervision of a WSA level II certified operator.

Driver's license class 5.

- Other:**
- a. Desirable to be near Crystal Bay-Sunset hamlet Brightsand Lake.
 - b. Must provide proof of Workers Compensation Board coverage and a minimum of \$2000000 Liability Insurance.
