

2024 Year in Review

## Evergreen Beach Hamlet Board

The Hamlet Board has prepared the 2025 budget and activity letter to be sent to the RM Before February 28<sup>th</sup> as per provincial requirement. A spring newsletter is also being prepared and both will be distributed prior to the AGM.

The AGM is being planned for the May long weekend and the agenda is being prepared and will be distributed along with the 2025 budget and 2024 list of expenditures.

A new board member was elected at the AGM. The board is pleased to welcome Ron Gramlich.

Green space project was discussed at the AGM. To complete the recreation area and have available for public use. The board was contacted with a request to complete and to construct a turnaround at the end of Michael's Place. Reviewed and plan to move forward with this project to be included in 2025 budget.

The board is currently working with the RM to build a new service agreement which will outline services provided as well as tax split and other issues pertaining to managing the hamlet.

The board subsequently completed the following tasks:

1. Survey completed and Resource Management Engineering was retained to provide a study including cost estimate for Michael's project. Engineering is to provide cost for 2025 AGM.
2. Green space fencing was installed and is now open to the public, table and garbage cans to be installed prior to 2025 AGM. Thanks to all the volunteers who help complete this project.
3. Un-locked security gates installed on fire escape road as per agreement with FOB to reduce unwanted traffic into the hamlet.
4. Conducted an AED course in which 11 people completed.
5. Came in on budget 2024.

The board held 5 meetings throughout the year in February, March, May, September and December.

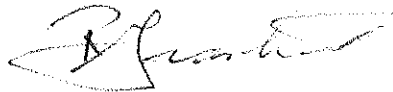

As usual, Bodnar and Marsh roads were graded and graveled and dust control was applied in the spring. the speed bumps were also installed. (note: the north speed bump was moved closer to the recreation area making it more visible to the recreation area)

The hamlet continues to be a member of the Provincial Association of Resort Communities (PARCs).

The Board continues to maintain a Hamlet web site which includes Newsletters, AGM minutes, and other information relevant to Hamlet property owners. The web site address is <http://evergreenbeach.org>. The Hamlet also has a Facebook page at @evergreenbeachhamlet.
