Hamlet Board Meeting Minutes 19 July 2026

at Mike Garland's cabin

in attendance Mike Garland, Norm Perret ,Rod Sellers

Call to order 11 am

New Business

Deadfall and brush removal contract

The board choose Germs Tree Services out of 3 potential services

Germs estimate was \$4000.

Calcium Chloride survey

The board will complete the survey when cost is confirmed by the RM

no complaints were received

the board was satisfied with the application but would have liked it done sooner

Garbage cans used for fish cleaning waste and house hold garbage deposal

temporary signs were posted and permanent ones to be ordered banning this practice

one more garbage can will be placed in the east beach parking lot

Toilet step at east beach toilets needs replacement, the board will try and find a contractor by next season to do the job

Rick Mathews was contacted and would like to enter another two year contract for hamlet maintenance. Various issues were discussed including Playground maintenance. A new contract will be negotiated in the fall.

BBQ preparations were discussed and final plans made

the location will be at or near the public reserve (old boat trailer parking area) or the west public beach directly across depending on weather.

meeting was adjourned at 11:45am
